

# ADVENT by CANDLELIGHT

Treat yourself to a night out to prepare your heart and mind for the Advent and Christmas seasons! The next few months will quickly fill with all of the holiday "To-Do's." While we intend to lovingly honor this special time of year with our family and friends, it's so easy to lose focus on the true reason for the celebration:

## **Our Savior is Born!**

Imagine a candlelit room, beautifully decorated tables, light refreshments and wine shared with friends. Then relax and enjoy an inspiring talk by special guest speaker, the very entertaining "Snoring Scholar" Sarah Reinhard, a local Catholic convert, wife, mom, author, and blogger. You do not want to miss this faith-filled evening of peace, fellowship, reflection, and humor! Please save the date and see below for more details.
