FEATURING OLIVIA SPEARS

Olivia lives in Kentucky with her husband and four children. She graduated from Franciscan University with degrees in theology and catechetics. She spends her days making the home, educating her children, and writing about the Lord for ministries like Blessed is She. Olivia is the founder of Into the Deep, where she creates catechetical resources for Catholic parents to use in their homes. Find more on Instagram at @intothedeepco.

If you feel called to serve, we're in need of table hostesses! These are volunteers who coordinate food, wine and decorations for our tables. Or sign up as an individual and enjoy fellowship with old and new friends!

Registration opens online October 30th at 7 p.m. at [stbrigidofkildare.org](http://stbrigidofkildare.org). Please email [SBoKABC@gmail.com](mailto:SBoKABC@gmail.com) with questions.
